

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 457 - SB 773

February 22, 2023

SUMMARY OF BILL: Makes various revisions to the “Safe Stars Act” and expands the safety requirements to apply to private schools and community-based youth sports. Establishes requirements for when a local education agency (LEA), public charter school, private school, or community-based youth sports organization shall apply the safety standards outlined in the Safe Stars Act.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The proposed legislation requires each local education agency (LEA) and public charter school that provides a school youth athletic activity to require all coaches, whether employed by the LEA or public charter school or a volunteer, to annually complete training in physical conditioning and training equipment use.
- Coaches are currently required to annually complete the concussion recognition and head injury safety education course program and the sudden cardiac arrest education program; coaches must also receive training in cardiopulmonary resuscitation and in the use of automated external defibrillators.
- Schools and community-based youth sports organizations will be able to provide additional annual training to coaches within existing resources. Any fiscal impact is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink that reads "Krista Lee Carsner".
